To see what titles are available from Point Library that fit your child's Lexile range follow the steps 1-5 from above:

1. Click on the Catalog tab
2. Use the pull-down menu for Reading Programs and click on Lexile
3. Place your curser in the Find box and press Enter.
4. You will now see the list of books for your specified Lexile range that are available
5. When finished change Reading Programs to Unlimited

You may also search for eBook titles. Follow the above instructions and use the pull-down menu for Material Types. Click on Electronic Book (eBook). Place your curser in the Find box and press Enter. A list of all the eBooks from Point Elementary will appear. Remember to switch Material Type back to Any Type.
